## **Fantastic Faces**

### **F-12 Gallery session**

Looking at aspects of biography, identity and culture, students observe the many different styles of contemporary portraiture in *Salon des Refusés*. They explore how artists create meaning with composition, colour, line and shape, and share their own responses to the artworks.

## **Artworks Tell Stories**

### **3-10 Gallery & Literacy session**

Students explore the special people and places in *Salon des Refusés*, learning the stories and meanings behind the portraits and landscapes. They use dramatic expression to create stories and imaginative written responses to the artworks.
