MORNINGTON PENINSULA REGIONAL GALLERY

The Mornington Peninsula Regional Gallery is one of the most vibrant and progressive public galleries in Victoria. Since its inception in 1971 it has become one of the State's most exciting art galleries. Presenting a rich and dynamic program of exhibitions and events, the Gallery is renowned for its mini blockbusters and its biennial acquisitive exhibition the National Works on Paper. Its regular program of touring exhibitions from galleries and organisations across the country includes the prestigious 2013 and 2014 Archibald Prize exhibition. Boasting an outstanding Permanent Collection that focuses on works of cultural significance to the Mornington Peninsula and contemporary works on paper, the MPRG is undoubtedly poised for greater things. We invite and welcome your involvement and support.
